## **Holship opens new office in Århus Denmark!!**

October 1<sup>st</sup> – 2009 will be the launch of a new era for Holship Group, we are pleased to announce that we are opening a brand new office in Århus – Denmark.

Holship has for the past 42 years been a solid and stable freight forwarder in Scandinavia, we have been working with air/ocean/road transportation in all our offices and has now expanded our operation to include Århus.

Holship has this autumn focused on trucking within Scandinavia and the new office in Århus is a big part of that expansion.

In Århus will from October 1<sup>st</sup> be Mr. Palle Carstensen – Department Manager, Palle will be in charge of trucking and we expect to rapid develop the office to include both air & sea operations, so we have a full operational office within weeks of opening. Like the other offices in Denmark our new Århus facility will also be able to handle Ships Agency and stevedoring.

Holship has today offices in all 4 Scandinavian countries, Sweden, Norway Finland & Denmark. Offices in Denmark now count 3 – Holbæk – Køge & Århus.

Our new details in Århus are as follows:

HOLSHIP DANMARK A/S

MALACCAVEJ 1

DK-8000 ÅRHUS C
